Grace Diaz Shirk, Supervisor South Rock Island Township 1019 – 27<sup>th</sup> Avenue Rock Island, IL 61201

Management is responsible for the accompanying financial statements of South Rock Island Township (a government agency), which comprise the statements of assets, liabilities, and fund balances – cash basis as of July 31, 2018, and the related statements of revenues and expenses – cash basis for the month then ended. In accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The accompanying annual appropriations listing of South Rock Island Township for the year ending March 31, 2019 has not been compiled or examined by us, and accordingly, we do not express an opinion or any other form of assurance on it.

The Township has elected to comply with the provisions of GASB Statement No. 34, Basis Financial Statements – and Management's Discussion and Analysis – for State and Local Governments, as amended and interpreted. This requires that the Township reflect its fixed assets net of depreciation. The balance reflected is from their March 31, 2016 Illinois Annual Financial Report.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the government's assets, liabilities, fund balances, revenues, and expenditures. Accordingly, the financial statements are not designed for those who are not informed about such matters.
